

all generations *forward together*

Through All Generations: Forward Together, we invite everyone at Faith to participate — **by making, modifying, or moving forward with a pledge** — so that we may finish a sanctuary and children's space to bless all generations to come.

OUR GOAL

Raise an additional \$3.8M,
bringing our total pledges to \$20M

We've added over
250 new members
since the campaign in 2024.

We have over 1600
members currently.

Will you help us move Faith
forward together?

MAKE YOUR PLEDGE

If you are new to Faith or you haven't yet made a commitment, would you make a pledge?

MODIFY YOUR PLEDGE

If your situation has changed, you may need to let us know if you plan to adjust your pledge either up or down.

MOVE FORWARD WITH YOUR PLEDGE

If you made a pledge, it would be helpful to us to let us know that you plan to move forward with your pledge.

Current Progress

All Generations is Faith's campaign to build a sanctuary and new area for children's and nursery ministries that will improve our ability to serve present and future generations.
